Lexicomp® Mobile Apps

Apps for Smartphones and Tablets

Your facility now has access to Lexicomp apps!
Lexicomp® Mobile apps provide convenient, mobile access to our continually-updated drug information – where and when it’s needed most!
Features:
- Diagnose, find treatment options, and identify drug interactions in seconds
- View detailed information including charts, tables, images and more
- Cross-database searching with quick-jump functionality
- Easy updates

You have access to: Lexi-Select

1. Click the Lexicomp Mobile App Access link at the upper right of your Lexicomp Online splash page

2. From the Drop-Down menu, you will need to select your device type

3. You will then be taken to a screen showing your subscription code and device-specific installation instructions.
