

SUBJECT: Access Services – Closed Reserves

MANUAL: Health Sciences Library Policy & Procedure

POLICY: Closed Reserves

RESPONSIBLE PERSONS: Library Staff & College of Nursing Faculty

POLICY

1. Materials referred to as "Closed Reserves," which include all MCCN class required texts and requested readings that are specified in class syllabi are chosen by instructors for the convenience of students. They are placed on "reserve" for library use only for a limited time period to ensure accessibility to all students.
2. Students are required to present one valid form of identification such as a student ID badge or a valid driver's license to access the reserved materials.
3. All course reserve materials in paper format must be used in the library, but can be photocopied at copy machines located in the library according to copyright.
4. Faculty members are required to provide the HSL with the latest edition of major textbooks used in undergraduate courses for closed reserve.
5. Faculty are encouraged to provide other course materials on closed reserve and should follow these general policies:
 - a. Forward reserved materials no later than one week prior to the start of semester.
 - b. Materials will be accepted in any format.
 - c. Include a list of materials and posting requirements.
 - d. Materials must be legible, complete, and organized.
 - e. Scanned electronic reserves should be complicit with copyright.
6. Materials that will be accessed electronically will be posted on the library site.
