

SUBJECT: Collection Development: Leisure Collection

MANUAL: Health Sciences Library Policy & Procedure

POLICY: Leisure Collection

RESPONSIBLE PERSONS: Library Staff & Clients

Policy

1. In support of personal wellness, the Mount Carmel Health Sciences Library has developed the Leisure Collection, consisting of books, non-fiction DVDs, and magazines. This collection will contain bestsellers both fiction and non-fiction, DVDs of different genre, and magazines based on client recommendations.
2. The collection circulates to the Mount Carmel Community including Mount Carmel colleagues and students.
3. This collection is developed with Library funds and donations.
4. Priorities and limitations shall be placed upon the collection according to specified criteria:
 - a) Items will be chosen from best-seller lists
 - b) Items collected will be in English
 - c) The majority of the items will be limited to titles geared toward an adult audience
 - d) Priority will be given to topics of current importance to the Mount Carmel colleagues and Community
 - e) Items will not circulate out of MCHS setting.
